Donations of Food for our Community

Elsa writes: It was a joy to deliver 3 bags of food to Manchester House this week. I received a letter from them saying, 'Thank you very much for your recent donation of food items to Manchester House. Many low income families and seniors are struggling with rising food prices (isn't everyone) so the need for such items is definitely rising.' Thank you for giving what you are able.

This Week's Prayer Focus :

Pray for Bobby and Lois and for all who minister to us at St Paul's Church. Pray for people everywhere. 1 Timothy 2:4 says God 'desires all men to be saved and to come to the knowledge of the truth.'

Invitation to Worship

Christopher Gannon extends an invitation to everyone at St Paul's to come to his pre-Sunday praise and worship practice at church. This provides opportunity for corporate worship and for learning new songs. Practice sessions last no longer than 1 1/2 hours but you can leave whenever you like. Email or text Christopher for days and times.

St Paul's Church Directory

Our updated Church Directory will be printed in June. Please let Gayle know if your details have changed. Please consider having your photograph included. It helps us recognise each other.
